

REMARKS/ARGUMENTS

Applicants, incorporate by reference, the Remarks/Arguments submitted on May 25, 2004 regarding the above-identified application.

In accordance with the Office Communication, status identifiers for Claims 15 and 27 are now changed to "Previously Presented."

The response filed on May 25, 2004 had incorrectly identified Claims 27 and 28 as "New" as the previously presented Claim 27 was inadvertently omitted. Therefore, Claim 27 is now presented with the correct status identifier ("Previously Presented"), and Claims 28 and 29 are now added as new claims. Support for the new claims are supported by page 7, line 23 – page 8, line 25 of the originally filed specification. No new matter is added.

Applicants respectfully submit that the application is now in condition for allowance. Early notification of such allowance is earnestly solicited.

Respectfully submitted,
